

Certificate in Learning and Development Level 3

A qualification with real prospects

You have the option of a 4 day course or 14 webinars covering all underpinning knowledge followed by action planning assessment and Internal quality assurance.

No previous experience required just enthusiasm and a wish to improve your employment opportunities or add to your current job role.

Activity will take place in your own working environment where practical.

A REAL OPPORTUNITY

The Potential of...

- An opportunity to be part of work based learning.
- Training others in your own industry.
- Blended learning classroom and webinars.
- Real job opportunities in learning in the workplace.

Cost

£1299 Plus VAT fee includes Registration Assessment, Quality Assurance and Certification
